Jackal Coin Report

Executive Summary

Jackal Coin is excited to announce that Phase 1 of its private presale is officially scheduled. This critical step marks the beginning of the public fundraising stage that will support the development, liquidity provisioning, and ecosystem expansion of the Jackal Coin project.

Presale Phase 1 Details

Start Date: July 12, 2025 at 10:00 AM (UTC-3)

End Date: August 12, 2025 at 10:00 PM (UTC-3)

Chain: Binance Smart Chain (BSC)

During this period, contributors will have the opportunity to acquire \$JACKAL tokens at the earliest and most advantageous price. The funds raised will be directed towards key components of the roadmap, including the Jackal Terminal development and liquidity provisioning across CEXs and DEXs.

Next Steps

Following the completion of Phase 1, Jackal Coin will evaluate community feedback, finalize token distributions, and prepare for the next presale phases. Early supporters will receive exclusive access to future airdrops and benefits as outlined in our official documents.
